INVEST IN THE NEXT GENERATION

**Create an ongoing impact by being a
monthly donor today!**

\$10 provides necessary school supplies
for a child in need

\$25 allows students to creatively express
themselves and become authors

\$100 offers students the chance to break the
cycle of poverty through access
to higher education

The Flagler County Education Foundation is thrilled to announce the launch of our new monthly giving platform. This initiative helps us continue and grow our support for Flagler County's students, families, and educators.

Just as fireworks light up the night sky, your generous contribution can illuminate the path to success for our students, families, and educators. Here's how a monthly donation can spark a brighter future:

- **\$50** provides necessary school supplies, clothing, and toiletries for a child in need, ensuring they have the tools to succeed in their studies.
- **\$100** allows students to break the cycle of poverty through access to higher education, opening doors to a brighter future.
- **\$250** provides a homeless family with safe shelter for the night, offering them comfort and security.

Thank you for considering a gift to the Flagler County Education Foundation. Every contribution, no matter the size, makes a difference. Wishing you a joyful and safe Independence Day filled with fireworks and hope!
