AUGUST 2023 UPDATE

Our mission is to generate financial support and community awareness to enhance educational programs that benefit students, teachers, and families of Flagler Schools.

## TAKE STOCK IN CHILDREN

This year, we welcomed 29 new students and 16 new 1st time mentors for our contract signing! It was a fantastic turnout for the 1st TSIC! The TSIC summit was information-packed! Great relationships with other affiliates and gained much knowledge about the TSIC program! Selina has been visiting the schools and meeting the mentees, and I love seeing the mentors already meeting with their mentees! We had over ten mentor sessions within the first week of school; a few even happened on the first day of school!

## STUFF BUS SCHOOL SUPPLY DRIVE

Summer has come to an end & the school year has begun! We wanted to list the supply drives, and we are so grateful for everyone supporting our students & teachers to have a successful school year! Back to School Jam was successful; we handed out 500 backpacks stuffed by our ladies from the Grand Haven Woman's Club. The packed bags were passed out in less than an hour! If any Flagler student still needs supplies, you can contact Stephanie Ellis @ [elliss@flaglerschools.com](mailto:elliss@flaglerschools.com) or call 386-437-7526 ext 1128.

**WE ARE STILL IN NEED OF COLLECTING HEADPHONES & CLOTHING, SHOES, UNDERWEAR, & SOCKS ALL SIZES.**

Thank you all!

FTC RECEIVES TRUIST BANK FOUNDATION GRANT!

We had the opportunity to partner with Truist Bank Foundation and apply for one of the Building Career Pathways to Economic Mobility in education for the amount of \$30,000 to help support workforce-ready certifications. These will include certificates in culinary, nursing assisting, phlebotomy, and other identified career opportunities needed for Flagler County. The foundation was excited to present a check for \$30,000 to Renee Kirkland and Christopher McDermitt, leaders of Flagler Technical College, to support the continued elevation of their College Technical Educational programs, providing our community with workforce-ready students, which will then give the opportunity for economic stability for themselves and their families.
