STUFF Bus was at Miller's House for the grand opening! Welcome to Flagler Miller's; we are so thankful you chose us to give to!

Who Cracked My Egg

We are honored to support the Summer 2024 graduating class of Who Cracked My Egg with Carmen Gray. The students were so happy to receive their awards and share how they will incorporate emotional resilience in the coming months and years. This is a massive success for our Flagler youth!

Thank you so much to everybody who made this back-to-school jam the best yet! We had so many volunteers who came and ensured the students got their backpacks and filled them up with loose supplies.

A huge thank you to everyone who donated to our stuff bus program and who continues to donate even past back-to-school. We could not do this without you!

 *Thank You* 

Simply Amazing boxes were given away to students. 38 boxes were given away to our graduates at Great Minds Summer Camp. (and some siblings) Thank you so much for this huge donation for the STUFF Bus program for Flagler Schools!

The Impact of Estate Planning Gifts

By including the Flagler County Education Foundation in your will or trust, you are making a lasting difference in the lives of countless students, families, and

educators. Estate planning gifts can help pay for scholarships, resources and supplies, educational programs, housing for homeless students, literacy growth, and professional development. This allows students to pursue their educational and career dreams and equips classrooms with the necessary materials for a comprehensive education. Your gift could also secure shelter for families, develop innovative projects to foster creativity and critical thinking and promote professional development to help teachers inspire and engage their students. Thank you for considering leaving a legacy of learning.

CREATE AN ONGOING IMPACT

Flagler County Education Foundation

INVEST IN THE NEXT GENERATION

Create an ongoing impact by being a monthly donor today!

- \$10 provides necessary school supplies for a child in need
- \$25 allows students to creatively express themselves and become authors
- \$100 offers students the chance to break the cycle of poverty through access to higher education

The Flagler County Education Foundation is thrilled to announce the launch of our new monthly giving platform. This initiative helps us continue and grow our support for Flagler County's students, families, and educators.

Just as fireworks light up the night sky, your generous contribution can illuminate the path to success for our students, families, and educators. Here's how a monthly donation can spark a brighter future:

- **\$50** provides necessary school supplies, clothing, and toiletries for a child in need, ensuring they have the tools to succeed in their studies.
- **\$100** allows students to break the cycle of poverty through access to higher education, opening doors to a brighter future.
- **\$250** provides a homeless family with safe shelter for the night, offering them comfort and security.

Thank you for considering a gift to the Flagler County Education Foundation. Every contribution, no matter the size, makes a difference. Wishing you a joyful and safe Independence Day filled with fireworks and hope!
